******COMING SOON******

We will keep you posted, but soon the office will be selling PTA Sudlow Spiritwear.

Reminder to Parents and Students from Student Council: The next Kids Nite Out is Dec. 16th. Students who are in SSC the day of the activity, suspended the day of the activity or have accumulated 5 or more referrals or tardies from the last Kids Nite Out will not be allowed to attend. Students will need to exit the building and then re-enter at 3:00. Please remember that as the colder weather approaches the activity ends promptly at 5 and rides should be arranged to pick up students on or before 5.

Student Council is sponsoring bake sales on Dec. 2nd and Dec. 9th immediately after school. All proceeds will benefit the Angel Tree. Don't start that diet today, tomorrow, or the next day. Be in the spirit have a cookie or other treat.....we are expert bakers.

ATTENTION 8TH GRADE PARENTS:

Several weeks ago, your child took the EXPLORE test which is basically an 8th grade version of the ACT test which is administered in high school. The results of the EXPLORE exam have been received and by the time Thanksgiving break begins, all 8th grade students will have received their results and attended an explanation of results session with the counselors. Please ask your

child to see these results and look for a postcard arriving soon in your mailbox about your opportunity to attend an informational session on this test which will be held on December 1, 2009 at 5:00 pm in the Sudlow IMC.

Also, last week career awareness sessions with all eighth grade students were completed and parent letters regarding this unit and your child's selection of their "career cluster" were sent home that need to be signed and returned to school ASAP. If you have not yet seen or signed this letter, please ask your child for this information and return promptly as state law requires this letter to become part of each student's cumulative file.

Looking ahead, Central High school will host an informational session for all prospective 9th grade parents on Thursday, January 7, 2010 at 6:00 pm in the CHS auditorium. They will follow this up with Central high school counselors coming to Sudlow to register all prospective CHS students for high school on Tuesday, January 19 during American Studies classes. North High School will host their informational session on Thursday, January 14th at 6:30 pm in the NHS auditorium and will be here to register prospective NHS students on January 26, 2010. If you have any questions regarding any of the above information, please feel free to contact either Ms. Pancratz or Mr. Neuhaus in the guidance office.

**It is that time of year and once again, Sudlow is sponsoring the Sudlow Holiday Angel Program. This program collects gifts to distribute to students in need. As you begin your holiday shopping, consider donating to this program by purchasing any of the following items:

Gift cards in any amount from Hy-Vee, Simon, Target, etc., male and female sweatshirts in sizes S to XXL, male and female nylon/polyester sportswear in sizes S to XXL, socks, and bath/body products. Please bring all gifts to the Guidance Office by Thursday, December 17. Gifts can be wrapped or unwrapped. If wrapped, please attach a sticker labeling the contents of the gift. If you would like your child to benefit from this program, please call our guidance office to get on the list. Thanks for your support!!!

Mrs. Houston – 6th Grade Science

Students will take a district assessment Nov. 30-Dec. 2 in class. They will make a booklet with the stages of a high mass star lifecycle, which need to include a picture and a description of what takes place in each stage. This is a 50 point assignment. The High Mass Star Lifecycle will be in your child's notebook on Friday, Nov. 20, please have them study it frequently.

Mrs. Goddard's 8th grade Language Arts & Honors English Classes: Note Card (Book Project) due date: December 11th, 2009.

*Note cards may be kept in room 209. Students work on book projects every Friday in Goddard's classes. Be sure to talk with your student about what they are reading. Students should be reading 15-10 minutes a night at home! Happy Reading.
