From American Studies in Room 208.

Students in American Studies are beginning an exciting program sponsored by Junior Achievement. The course is the Economics of Success. Students will look at the world of work, do activities which will help them look at career choices, their individual strengths and weaknesses, problem solving and others that will help them look at decisions they will be making in the future. A special thanks to Junior Achievement for making this program available to us, the volunteers who come to our building to make this possible, and their employers who support the time they spend in the classroom.

From American Studies and Math

During the month of March the students will be working with another JA program called Finance Park. Eighth graders will be attending one of two sessions April 9, 2010 or April 12, 2010. Parent volunteers will be needed for this activity. If anyone is interested in helping one of those two days please call Jamie Kreuger at 563 326 3502 or email her at kreugerj@davenportschools.org for further information. PTA News

PTA wants to remind families to bring in their box tops (we receive \$.10 for each one), Swiss Valley Milk Caps (we receive \$.05 for each one) & ink jet printer cartridges?? to the Sudlow Office. The money earned goes back to the teachers & is used in the classrooms.

GOOD NEWS! We are officially registered to reap the benefits of the **Schnucks eScrip Program--** which means **3-5% of your total purchase** will go to Sudlow each time you shop at Schnucks! Unlike many things, it is SO easy to sign up for and to activate. Next time you're at Schnucks, just grab a red, laminated card at the check-out, and then call the 800-number when you get home. They'll ask you for: your zip code, the name of your school/group ("Sudlow Intermediate PTA"), your card number (on backside), and the contributing supermarket... it's *that* easy. (The only trick is that YOU need to remember to have the cashier scan your eScrip card BEFORE you pay each time.)

Questions? Feel free to contact, Julie Moran at: 359-3238 or jmoranfam@mchsi.com.

If you should have any questions or would love to join the PTA, please feel free to contact Lisa Prior at 563-650-8221.
