Chess Club ends the end of 3rd Quarter.

Volunteer for Your Children's School:

Junior Achievement of the Heartland offers wonderful opportunities for parents to serve at their children's school with 6-8 week programs. We are looking for volunteers to serve as consultants and teachers for the JA program called America Works for the 8th graders in Mrs. Kreuger's and Ms. Smith's classes. JA achievement provides the training and materials. Volunteers work with the students on a curriculum developed by JA that talks about the industrial revolution, expansion West, the role of immigrants in our great country and the ingenuity and creativity of our forefathers that have brought us such innovations as the cell phone and the computer. Please contact Jamie Kreuger at 326 3502 or kreugerj@davenportschools.org or directly to JA's education coordinator Chery Heriford at 309 736 1630 or chery.heriford@ja.org or www.jaheartland.org.
Thanks.

Note From The 6th Grade:

Tracy Sandon - 6th Grade Language Arts/Reading

This week I have posted points for two book reports. Each student should have two book reports completed by this time. Please, ask your child if they have completed their book reports. This is a considerable amount of their reading grade.

Also, in Language Arts we have typed our benchmark paper, fictional narrative, with conversation, in class. If your child was absent on February 2, 2010 then they need to come in early or stay after school on Wednesday in order to type their benchmark paper.

Science – Mrs. Houston

We are getting ready to finish up our lessons on rocks this week. I have the test scheduled for next Thursday, Feb. 11. Students are able to use their notebooks and review sheets on the test. Our next unit covers the rock cycle. One of the activities that I have planned is making Rock Cycle Fudge. I think the students will enjoy it and it is definitely hands on, but I will need some help from parents with the supplies. If you could send any of these items in with your child by Feb. 22, we would really appreciate it. Most, if not all of these items, can be found at any of the Dollar Stores. I know there are a couple of students allergic to nuts, so they will not handle or eat any fudge containing nuts.

Evaporated Milk, Sugar, Stick Butter, Mini Marshmallows, Walnuts, Semi-Sweet Chocolate Chips, Vanilla Extract, Wax Paper, Medium Sized Plastic Mixing Bowls, Measuring Cups, Large Mixing Spoons, and Small Aluminum Bread Tins.

Thanks,
Mrs. Houston =)

Note From The 7th Grade:

Attention 7th Graders: On February 11th and 12th, Mr. Keith Asmus from the Mississippi Valley Regional Blood Center will be giving a presentation on blood in the science classes. On Friday, students will have the opportunity to be blood typed. They will receive a permission slip from their science teachers for the blood typing. To be blood typed the permission slip has to be returned. **NO** phone calls, faxes, e-mails or parent written permission notes will be accepted. Thank you for your cooperation.

Mrs. D-J's science classes have just completed an experiment to learn how materials through a cell membrane by osmosis. They have an assignment due on Wednesday, Feb. 10th to write a news report describing the results of the experiment. Students have a sheet of data that they collected during the lab and an outline of what is expected in the assignment. **All work for midterms is due to Mrs. D-J by Friday, February 12th.**

PTA News

PTA wants to remind families to bring in their box tops (we receive \$.10 for each one), Swiss Valley Milk Caps (we receive \$.05 for each one) & ink jet printer

cartridges?? to the Sudlow Office. The money earned goes back to the teachers & is used in the classrooms.

GOOD NEWS! We are officially registered to reap the benefits of the **Schnucks eScrip Program**-- which is **3-5% of your total purchase** each time you shop at Schnucks! Unlike many things, it is SO easy sign up for and to activate. Next time you're at Schnucks, just grab a red, laminated card at the check-out, then call the 800-number when you get home. They'll ask you for: your zip code, the name of your school/group ("Sudlow Intermediate PTA"), your card number (on backside), and the contributing supermarket... it's *that* easy. (The only trick is that YOU need to remember to have the cashier scan your eScrip card BEFORE you pay each time.) Questions? Feel free to contact, Julie Moran at: 359-3238 or jmoranfam@mchsi.com.

If you should have any questions or would love to join the PTA, please feel free to contact Lisa Prior at 563-650-8221.
