Note From Mr. Potts:

On Thursday, June 3, the last day of classes, we will be checking students into the building at their usual entry doors. Students will no longer have access to their lockers and we will have begun to change the combinations for the next year.

Students have been told that they are only to bring a pencil and paper to school. No electronic devices this includes cell phones and no

yearbooks. Anything brought other than pencil and paper will be taken, labeled and returned at the end of the day.

We want the last day to run smoothly without disruptions or any shenanigans. Your cooperation will be greatly appreciated.

Thanks for your help,
Mr. Bruce Potts

Note From Mr. Gravel's Office:

To all students, parents, community members,

Next year I will be moving to Central High School as the Associate Principal. I look forward to this challenge and opportunity, much of my experience has been in the HS and I enjoy working with students and families at that stage of their life. I have enjoyed this school year at Sudlow, this is a really great school and offers many opportunities to all. I am proud to have been a small part of the lives of your children and look forward to working with them in the High School. Good Luck and Best Wishes.

Mr. Gravel

Note From The Building Secretary, Heather Ehlinger:

As the school year comes to the end, so does Sudlow E~Blast. I just wanted to let all of you know that it has been a pleasure being the "Informer" between school, parent/guardian & students.

Please remember to visit us on Registration Day or Unpack Your Backpack Night to sign up for E~Blast for the 2010-2011 school year.

Note From The Guidance Office:

The Davenport Community School District is offering an Intermediate grade summer school program this year. Summer School will run from June 14th – 30th and will be held at Sudlow. Classes will be from 8:00AM – 11:35AM. On Monday – Thursday there will be direct academic instruction. On Fridays there will be an educational field trip. Breakfast will be served at 7:30 and lunch at 11:35 for those students who want to take advantage of this offering. There is a \$60.00 program fee to attend. Registration forms can be picked up in the guidance office and must be returned by June 1st. Please contact the guidance office if you have any additional questions regarding this program.

There are left over booklets from the Honors Program available in the Guidance Office. If you would like one, please have your student stop by and pick one up.

Note From Student Council:

Student Council would like to thank all the wonderful people in our Sudlow family that have made this year so successful. We have sponsored three "Kids Nite Out" that without the help of our staff chaperones and parental chaperones would have been impossible. We had a very successful sale of poinsettias that we hope we will be able to do again. We were pleased to help with the Annual Angel Tree and donate proceeds from our Talent Show to a Sudlow family in need. Our commitment to reading continued this year with our support of the Read A Thon. Student Council will be electing our executive council for 2010-2011 before school is out. Students interested in participating in Student Council the next school year should listen for announcements in the fall.
